MEMORANDUM FOR: Emmett D. Echols

SUBJECT : National Defense Executive Reserve Program

Emmett:

At the Executive Committee Meeting on 17 September 1962, at which I reported our plans for the forthcoming conference, General Carter expressed considerable interest in this program and suggested that we review it sometime soon to determine whether our present participation is appropriate and what changes if any we might make in the handling of this program and the personnel in it.

Would you please, in consultation with the Emergency Planning Officer, prepare a paper in response to this suggestion. The paper should deal with the purpose of the National Defense Executive Reserve, the proprieties of Agency participation, problems connected therewith, and specific recommendations.
